

## **International Women's Day Medical Camp- 2020**

- Slum Children STEDS conducted medical camp for Women & Children on 8<sup>th</sup> March 2020 at STEDS (HO - MKB Nagar, Vyasarpadi, Chennai) to commemorate International Women's Day
  - The Medical Officer volunteering the camp was Mrs. Dr. M. Devi Devnarain MBBS, DGO., and camp was assisted by Mrs. Vincy Vijay (Head Nurse) in addition to 20 Volunteers of STEDS and 10 member team of medical volunteers from Stella Mary's College.
  - Over 100 women and children attended the special medical camp.
  - Medical Parameters (Height, Weight, Body Mass Index Correlation (BMI), Blood Pressure, Blood Sugar and General checkup were noted and diagnosed)
  - It was observed that many suffered from mild anemia to severe anemia.
  - There were also cases of refractive index deviation and malnutrition.
  - Most of parents were overweight and obese, hence suffering from acute Blood Pressure.
  - The patients were prescribed medicines in addition to healthy nutritive food habits and advised further treatment in Public Health Center at SM Nagar, Vyasarpadi and Rajiv Gandhi Government General Hospital, Chennai Central.
  - A special Meme presentation on Health & General Hygiene was enacted by Volunteer team, Stella Mary's College.
  - The camp was sponsored by STEDS team (Mr. N. Umapathy, Mr. N. Thangaraj - Founders STEDS, Mr. C. Suresh - President & Mrs. Renuga-Secretary) and supported by Mr. Yashwanth & Ms. Beemabai (Coordinators) & Volunteer team of Slum Children STEDS.
